

PHRASE RESTRICTION ACT 2025

1. Introduction This Phrase Restriction Act ("Act") grants the Government of Fengri the authority to impose restrictions on specific phrases. Citizens must adhere to these restrictions, and penalties shall be enforced for violations.

2. Government Authority

- This Act authorises the Government of Fengri to designate specific phrases as restricted and prohibit their use.

3. Scope of Restriction

- Restricted phrases may not be spoken, written, or otherwise conveyed in any form, whether in public or private, within Fengri.
- Citizens are prohibited from using alternative phrases or slight variations that convey the same meaning as a restricted phrase.
- Translating a restricted phrase into another language does not exempt it from this Act.

4. Reporting Obligation

- All citizens are required to report any instances where a restricted phrase is used.
- Failure to report a violation will result in the same penalty as using a restricted phrase.

5. Penalties

- Any individual who utters, writes, or otherwise communicates a restricted phrase shall be fined F\$5 per occurrence.
- The fine must be paid within a reasonable timeframe as determined by the enforcing authority.

6. Legislative Implementation

- A phrase restriction shall not be publicly announced or enforced until it has been formally approved and entered into legislation by the legislature of Fengri.
- The legislature must review and approve the restriction through the standard legislative process before it can take effect.
- Once approved, the government must notify the public at least one week before enforcement begins.
- Official government documents implementing phrase restrictions must be recorded in legislation through proper legislative channels.

7. Documentation of Restricted Phrases

Each government restriction document ("Document") must include the following:

1. **Restricted Phrase**
 - The exact phrase and its definition.
2. **Restricted Uses**
 - A description of the contexts in which the phrase is prohibited.
3. **Acceptable Uses**
 - Situations where the phrase may still be used legally.

5. Amendments and Modifications

- The government of Fengri reserves the right to amend this Act as necessary. Any modifications will be communicated through official channels.
- Continued residence in Fengri under an amended version of this Act constitutes acceptance of the revised terms.
- Any amendments to the Document must be first approved by the legislature.

6. Governing Law

- This Act is governed by the laws and regulations of Fengri.
- Any disputes arising under this Act shall be resolved in accordance with Fengri's legal framework.

7. Severability

- If any provision of this Act is found to be invalid, illegal, or unenforceable, the remaining provisions shall continue in full force and effect.
- The invalid, illegal, or unenforceable provision shall be replaced with a valid and enforceable provision that most closely reflects the original intent.
